

Covenant Youth Ministry

Geared for students in Junior and Senior High School we exist to know and love the youth of Covenant, providing fellowship, teaching, and direction as we walk with Jesus on our journey of faith!

We meet during the second service from 10:45 to 12:00 every Sunday and are located in the loft of the Education Building (upon entering the main doors, immediately turn left and follow the stairs to the third floor and make yourself at home).

Each week we open the Word and are learning the story of God revealing himself to the people of the Bible and to us today.
