

District Mission:

We offer a high quality world class education for the 21st century. Our mission is to ensure that every child is on track to graduate prepared for success in college, work and life.

School Vision & Mission:

The vision of Lane Tech College Prep High School is to provide all students with a superior academic, technical, and fine arts education that prepares students for success in their post-secondary endeavors of school, career, community and family life.

Lane's mission includes: 1) providing curricular offerings that optimize the college preparatory experience of students, 2) establishing an environment where mutual respect and positive relationships exist between students and staff, 3) empowering students to accept responsibility for their learning, 4) building relationships with parents, and 5) improving support services for all students.

Department Mission:

Our mission as school counselors is to provide all students with a comprehensive and developmental school counseling approach by addressing academic achievement, career goals, and personal/social skills necessary to become responsible and professional global citizens. Our counselors advocate for the collaborative effort between school, home, and the community in order to create a safe and enriching school environment for all students. Through the delivery of classroom guidance and counseling activities, our school counselors plan to educate our students to be independent thinkers and gain a well-rounded education.
